**Correction:**

On January 4, 2012, we published a Federal Register notice inviting the public to comment on several applications for permits to conduct certain activities with endangered species (77 FR 298). We provided an incorrect permit number in our description of the Feld Entertainment application, which starts in the second column on page 300. We printed the incorrect number of PRT-702230. That number should have been PRT-720230. All the other information we printed was correct. With this notice, we correct that error and extend the comment period for the Feld Entertainment application (see **DATES**). The complete corrected entry for this application is as follows:

**Applicant: Feld Entertainment Inc., Vienna, VA; PRT-720230**

The applicant requests renewal of their captive-bred wildlife registration under 50 CFR 17.21(g) for leopard (*Panthera pardus*) and Asian elephant (*Elephas maximus*), to enhance their propagation or survival. This notification covers activities to be conducted by the applicant over a 5-year period.
